## **Thursday 12th September 2024**

Welcome to the Year 5 and 6 team and to our first news letter of the year. It has been wonderful to see all of the children after a long break. We want to say thank you for reading the uniform policy because the children have looked smart and ready to learn every single day this week.

## What are we learning this half term?

## Composition

## **Maths**

As mathematicians...we will be covering place value and the four operations (addition, subtraction, multiplication and division).

## Reading

our key skills in answering word questions on a range of texts.

## P.E.

As sports people...we will be covering the 'Personal' cog, in which we will be building on our individual skills within a range of games.

## R.E.

by...considering how Muslim's can

## **History**

As historians...we are learning about World War I, including how the conflict began, key turning points and how it ended.

### **Science**

As scientists...our topic is 'Light'. We will be considering why we are able to see and carrying out a range of

#### Music

As musicians...we will be covering the 'World Unite' unit, in which we will be looking at different ways in which we can harmonise.

## Art

As artists...we will be re-creating a range of pieces around the topic of

## **PSHE**

We will be focusing on the unit ...'Being Me In My World'.

# ClassDojo

Please ensure that you are connected to Class Dojo. Teachers have resent out links this week.

Key information will be shared on here including upcoming events (and changes to them) and messages from class teachers. You can also keep track of vour children's

values points that are earned throughout the school day.
