Outdoor Clothing

The children will have outdoor learning every day. Please ensure that they have appropriate clothing with them.

Water Bottle & Snack

Children are allowed to bring in water bottles which **can be accessed throughout the session**. Please do not send fizzy drinks and make sure the bottle is labelled

clearly with your child's name. During snack time all children will be given the opportunity to have milk and snack (a piece of fruit or vegetable). If you would like your child to have milk please register with COOL MILK.

If you are sending your children with their own snack please make sure it is a healthy snack (no chocolate or sugary snacks please)

Reading for Pleasure

Every Friday your child will have the opportunity to choose a book to bring home. This book will be one they have chosen that interests or excites them. Please take time to share the book with your child, and remember to return it the following Friday to swap for a new one!
